

ICY BOX IB-121 CL-C31

Type-C™ 2 bay Docking and CloneStation with USB 3.1

Key features

- 2 bay DockingStation: the computer detects two independent drives
- HDD clone function without PC: create an identical copy of your hard disk drive or SSD
- Create a bootable copy of system drives without software or professional knowledge
- Premium aluminium case
- Supports both 2.5" and 3.5" SATA HDDs/SSDs, capacity unlimited
- Supports Seagate GoFlex 2.5" external HDDs
- USB 3.1 (Gen 2) Type-C™ host interface up to 10 Gbit/s
- LED display for power, HDD access and HDD clone progress
- Supports Windows and macOS
- Plug & Play

Packing content

1x IB-121 CL-C31, 1x power supply, 1x USB Type-C™ cable, 1x manual

Two is better!

If you have got a closet full of HDDs at home, you will surely appreciate this dual dock for 2.5" and 3.5" SATA HDDs/SSDs. The 2.5" HDD's height can be up to a 15 mm. Thanks to the included power supply, the IB-121 CL-C31 can even be used with HDDs that need a 12 V power supply. The aluminium body does not only dissipate the heat and stand stable but is also optically appealing. This device is using a USB 3.1 (Gen 2) Type-C™ interface thus copying a huge data volume is done in a breeze. Besides, it is compatible with the modern PCs. Once connected to a PC, the HDDs are recognized as individual drives (Single) as though they were mounted inside the PC. A final highlight is the ability to clone an HDD with just the click of a button without being connected to a PC.

Technical data

Model	IB-121 CL-C31
Article no.	20930
EAN code	4250078162520
Brand	ICY BOX
Colour	Black
Material	Aluminium + plastic
Chipset	ASM1352R + ASM1543
HDD/SSD interface	2x 2.5" / 3.5" SATA
External data interface	1x USB 3.1 (Gen 2) Type-C™

Transfer rate	Up to 10 Gbit/s
HDD capacity	Unlimited
Plug & Play	Yes
Operating system	Windows, macOS
LED	Power/access/clone progress
Power supply	AC: 100 - 240 V / 50-60 Hz / 1,5A, DC: 12 V / 3 A
Power switch	Yes

ICY BOX IB-121CL-C31

Type-C™ 2 bay Docking and CloneStation with USB 3.1

Time savings

The IB-121CL-C31 offers space for two 2.5" or 3.5" hard drives or SSDs and holds them in place with a spring mechanism for maximum stability. You can write or read them at the same time which can save a significant amount of time. The hard disk capacity is unlimited.

Looks good and makes sense

The material mix of aluminum and hard plastic guarantees a user-friendly basis. With the help of the aluminum, the HDD heat produced in the enclosure is passively and effectively dissipated to the environment. This protects the hard drives from overheating.

Fast data transfer

IB-121CL-C31 can achieve up to 10 Gbit/s with USB 3.1. This means fast data transfer and reliability!

Logistical data

Packing unit: 10 pcs./carton
Total weight: 12.9 kg/carton
Gross weight: (with packing): 1.174 kg
Net weight: 0.635 kg

Dimension/carton: 4235x268x446 mm
Dimension (with packing): 250x200x85 mm
Dimension of article: 140x125x70 mm
Country of origin: China
